

## ***Educational Assistant Program Online DE***

*Approved under PCC Act (2005)*

### **Overview**

A rewarding career helping individuals with exceptionalities reach their full potential awaits you. Educational Assistants support elementary and secondary school teachers by assisting students who may require specialized needs instruction with behaviors, specialized needs, academics or ESL. Our Educational Assistant graduates are in high demand by school districts throughout Ontario to work in public and private schools, childcare centers, community drop-in centers and more.
